- Dollar & Thrifty provides a variety of special services to make the rental process easier for physically challenged customers. At all corporate locations, you can reserve a car equipped with hand controls. There is no additional charge.
- Hand Controls:
 - Hand controls are devices, which attach to the gas and brake pedals of the vehicle, enabling a physically challenged person to drive the vehicle without using their legs.

- You must make a new reservation for the extension rental period. Customer will need to return to location to renew contract.

Fuel Policy

- Dollar & Thrifty brands offer three Refueling Options to offer customers:
 - Fuel Purchase Option (FPO): Customers who accept FPO purchase the fuel that is in the tank at the start of the rental. These FPO customers do not need to refill the tank prior to return, regardless of tank level. All FPO sales are final and there will be no refund for unused fuel. The customer must decide whether to accept FPO at the start of the rental.
 - Fuel & Service Charge (FSC): Dollar or Thrifty rental staff refuel the vehicle upon return.
 - Customer Self-Refuels: Customers have the option to fill up the tank themselves before return or the customer may return the vehicle with less fuel than rented. Dollar and Thrifty will refill the tank and charge the customer for the fuel required to fill the tank and for the service of refilling the tank.
- For packages with Fuel included renters should return vehicle empty. There is no credit for unused fuel.
- Vehicles are provided with a full tank of fuel, there is no refund for unused fuel. If client has not accepted the FPO they can return the vehicle with a full tank and must show a gas receipt within 10 miles of the return location.
- For rentals in Hawaii:
 - If FPO is purchased at time of rent, and the vehicle is returned with a full tank, the customer will receive credit for the amount previously charged for the FPO.

If the client returns the car early, the Tour Operator will still be charged at the number of days reserved. - Customers may use their own car seats.
- Customers should be aware that use of a non-U.S. federally approved child seat in a rental vehicle in the U.S. does not meet the statutory requirements for a child seat in the U.S. and would be a violation of the Terms and Conditions of the rental agreement and could compromise any Loss Damage Waiver or optional insurance product.
- Dollar and Thrifty voluntarily complies with any state law that requires a child seat for a rental.

Late Return

- Late return or 'rental deviation' fee of \$16.00 per day is incurred if a customer returns the vehicle before or after the scheduled drop-off time.
- The Late Return Fee will be applied if the car is returned more than 12 hours after the date and time previously scheduled and the customer failed to notify the company of such change.
- This fee will be applied in addition to any change in rental rate that occurs as a result of extending the rental.

Maximum Rental Duration

- Rental periods cannot exceed 62 days. If a rental is more than 62 days, additional reservations are necessary to

accommodate the total number of days. The number of days reserved for each reservation may be split up as necessary, as long as no one reservation exceeds 62 days. The rental agreement must be renewed at a participating location and therefore client must return to location to do so.

- For example, a 70-day rental may be booked on a reservation of 62 days and one of 8 days or may be booked on a reservation of 40 days and 30 days. Additional reservations/voucher are required for each rental period, which must be presented at the counter for renewal of the rental record prior to the 63rd day (or whatever day rental has been split to).
